

## TERMS & CONDITIONS

Life is unpredictable, so it can happen that you are unable to attend a booked session. In such a case, don't stress!

You can cancel your booking free of charge\* up to 2 days before the session. You can then reschedule to another date within the next 2 weeks; this depends, of course, on the availability of the stage!

If no free date can be found within that period, or you decide to not rebook, I must charge 50% of the tuition fee\*.

For last-minute cancellations (less than 48 hours) regrettably I must also charge of 50% of the tuition fee\*.

Not that you would, but the consequence of a no-show is that you will be charged 100% of the tuition fee\*, so let's avoid that, OK?

\* Please note that for **all** cancellations and rebookings, as well as no-shows, the full cost of hiring the stage will have to be passed onto you.
